

**ROBBY GORDON – TODD ROMANO**

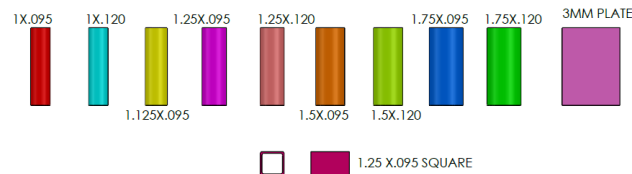

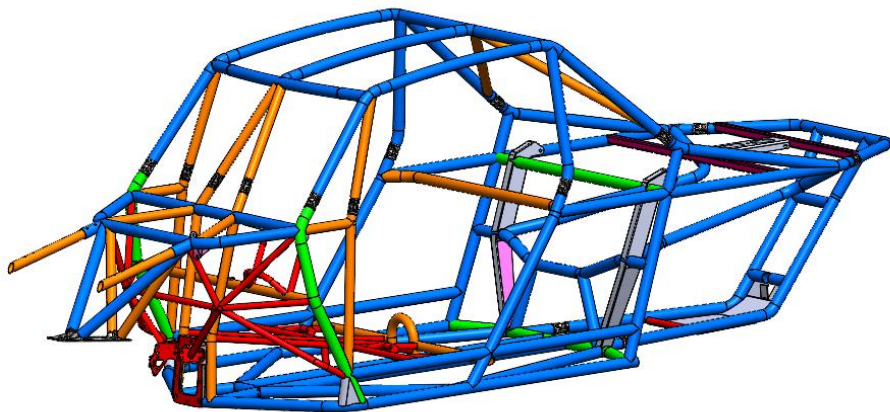

DANIEL GRANGER – KYLE SWOBODA

Design Presentation: 23

FOR PUBLIC RELAEASE: 08/26/2020

**We have issued invites up to master number 600. If you are under 600 and have not received an invite email Todd at: [Speedsxs@gmail.com](mailto:Speedsxs@gmail.com)**

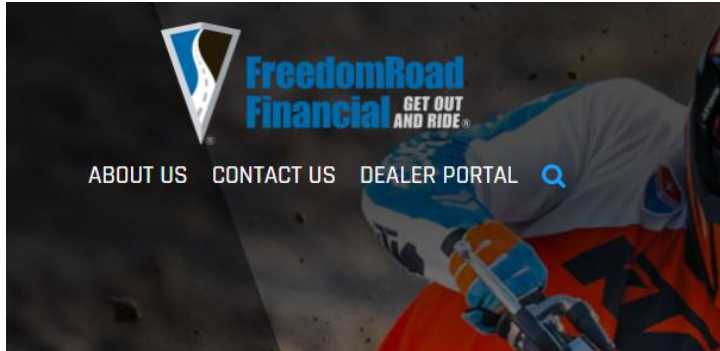

# SPEED/UTV

## Chassis Structure and Tube Breakdown

What is the deadline to have my cars configured and all of the accessories added to be factory installed on their car.

The deadline depends on your order number sales rep will let you know when you need to close out

When is final payment due?

**30 day prior to vehicle delivery arrangements will be made with you or lender to arrange for final payment before delivery can be scheduled**

How can I put more money down on my car right now?

You can make as many payment as you want right now, you can even pay in full right now if you want to. Make arrangements with Ginger

### RUGGED

Digital/Analogue radio

- Both Intercoms are very similar
- Analog is the standard in off-road communication
- Need to make sure everyone is on the same mode

Analogue only Radio  
IP-67 Rated

**2 Seater: \$30,000**

**4 Seater: \$32,000**

**If you missed the early pre-order discount pricing, the base cars are now available for the same price**  
**Same chassis, suspension, drivetrain**  
**Only difference is: Seat, Roof, Wheels, Graphics**

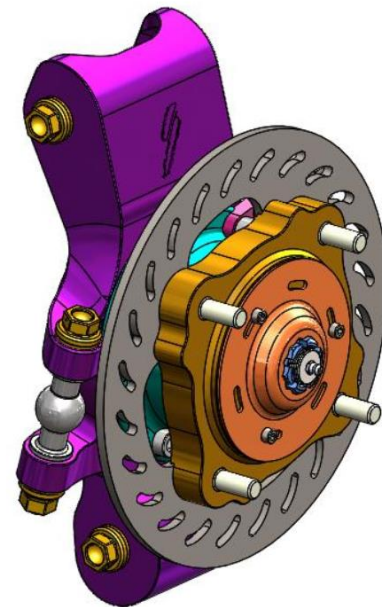

- **Patented Reversible LCA,UCA**
- **Shock mounted on lower control arm**
- **Shock angle optimized for maximum rising rate**

- **Patented reversible Semi-Trailing arm**
- **Shock angle optimized for maximum rising rate**

- 3.25" Internal Bybass
- 12" stroke
- 360 Deg clock-able reservoir
- External independant adjustable rebound and compression
- Dual rate springs
- Finned reservoir

- 
- This exploded view diagram illustrates the assembly of a mechanical component. The parts are arranged from left to right in their assembly sequence: a grey shaft with a splined end, a purple bracket with two gold pins, a teal housing, four black pins, a grey ring, a grey flange, a grey ring with eight holes, and a yellow gear. The gold pins are shown inserted into the purple bracket and the grey ring with holes.
